[redacted] Spoke with Larry McHugh, Joint Economic Committee staff, and Don Henderson, Senate Foreign Relations Committee staff, regarding the possibility of our providing their Committees with the economic indicators information directly instead of through the Council for International Economic Policy. McHugh said he had no real preference on this as long as the Committee got the information. Henderson, on the other hand, [redacted] felt there might be some value to the Agency in our getting credit for providing this information. Henderson said he would give this some further thought and call me back in the next day or two.

[redacted] Talked preliminarily with Tom Dine, on Senator Church's staff, about the letter purportedly signed by Senator Frank Church dated August 2, 1973, which was brought to our attention [redacted] authorities. Dine said it was not unusual for outdated Foreign Relations Committee letterhead to be used by various staff people for scrap paper but from my description the letter sounded "sort of fishy" to him. I am to see Dine Friday at 11:00 a.m. to talk to him further about this.

[redacted] Accompanied [redacted] who at Senator Jackson's request briefed Dorothy Fosdick, Senate Permanent Subcommittee on Investigations staff, on the Chinese political situation, leadership, and related matters. Miss Fosdick explained that the Senator was considering a possible trip to China and that local Chinese representatives had been cultivating him diligently. 25X1
